Directions to the Environmental Concern

Directions To Environmental Concern

From Route 50 take the Easton Bypass (Route 322) and head West onto St Michaels Road (Route 33). Stay on St Michaels Road for about 8 miles. Turn Left onto Boundary Lane (the first Left as you enter St Michaels when the speed limit drops to 25 mph). Turn Right onto our driveway (greenhouses are visible from the road). We will be meeting in the Admin Building in the Library.
