

# Choptank Tributary Team October Meeting

October 9, 2008

7:00 – 9:00 PM

Marydel Community Center, Marydel, MD

## Agenda

This month, the Tributary Team will meet with the Delaware Choptank Team.

7:00 Introductions

7:15 Dinner

7:45 Presentations & Discussion

### **Delaware Team**

- Brief synopsis of watershed character. Summarize issues faced by the team.
- Projects initiated and success stories
- Status of DE nutrient management plans and level of implementation/compliance
- How are implementations documented and tracked?
- Process for completing the draft management plan
- Team' approach to handling septic system and tax ditch issues, if any
- Team's role now that the management plan has been submitted

### **Maryland Team**

- Brief synopsis of watershed character. Summarize issues faced by the team.
- Discuss projects initiated by the team
- Review team responsibilities and expectations
- Discuss progress made toward completing basin management plan

8:50 Wrap-up, final questions, and new business

9: 00 Adjourn

## Directions:

As you approach the village of Marydel, you will be on Maryland Route 311 (the highway from Goldsboro to Marydel). Just after you enter the south side of the village you will see a Lions Club Sign on your left at the edge of the road. The Community Hall is just behind the sign with ample parking in front of the building.
